Workshop Descriptions

<p>Exploring your Personality, Skills & Strengths We will discuss the importance of exploring your personality, skills, and strengths. Having a good understanding of these is beneficial to creating your own personal employment pathway. If you are unsure about what type of work or career you want to pursue, this workshop will give you tools and strategies to begin creating your employment goals.</p>	<p>Tools to Jump Start your Career This workshop offers information on pre-employment tools to use to effectively get a start on your career path.</p> <ul style="list-style-type: none"> • Explore and set your career goals • Learn about valuable skills that employers look for • Know how to target your job search • Get information on how to network • Discover tips on creating a LinkedIn profile 	<p>Interviewing Confidently After the long, exhausting journey of searching and applying for jobs, you have just been rewarded with a golden ticket—an interview. Be a part of this workshop to discuss and learn the tips and tricks to ACE that interview.</p>
<p>Introduction to the TRIEC Mentoring Partnership TRIEC - Toronto Region Immigrant Employment Council Are you a newcomer to Canada? Have you immigrated to Canada in the last five years? Are you looking for work in your professional field? A mentor could help you build your network and reconnect you with your career. This workshop will give you a chance to know if this program is right for you and your career plan.</p>	<p>Research the Canadian Labour Market Utilizing NOC Codes Do you know why we use NOC codes for job search? We are here to answer your questions and teach you how to use these codes for your job search and career exploration. Through this interactive webinar you will learn:</p> <ul style="list-style-type: none"> • How to find the NOC code for your occupation • How to research the labour market using NOC codes • How NOC codes can assist you when writing a resume 	<p>Preparing for In-person, Virtual and Information Interviews In this session, you will be provided with tips on how to prepare yourself for in-person interviews and virtual interviews. The session will also prepare you for informational interviews by discussing how to request an informational interview and the questions to ask. You will also be provided with resources to help you practice for your upcoming interview.</p>
